Premier Leave management

The following plug-ins are included in Premier Leave Management:

- Leave Calendar
- Multi-Country Leave
- Advanced Reports for Leave

The Premier Leave Management module of OrangeHRM enables setting up country-based leave types, apply restrictions, leave accrual rules and carry forward rules. The module also features a leave calendar which can be used by supervisors, HR administrators and employees to plan leave.

Features of Enterprise Leave Management Add-on:

- Set up leave rules specific to each country or region. You can have global and regional administrators with any combination of access rights.
- Configure apply-restriction criteria for each leave type.
- Set up annual, monthly and quarterly accrual rules based on Job Title, Employment Status and Years of Service.
- Set up leave carry forward rules with expiration dates for leave carried forward.
- Leave calendar with detailed view of leave statuses.
- Generate Employee Leave Reports to view the leave summary of an employee within any given leave period.

Create country-based “Leave Types” by configuring eligibility criteria and advanced leave rules specific to your company/region.

Configure leave entitlements based on different employee’s job details.

Configure apply restriction rules for each leave type. (Ex: To apply for child care leave you need to have a child below 7years or to apply for medical leave you have to answer the question, “Do you have a medical certificate?” If no, you can't apply.)

Set up Leave Accrual rules.
